Each one of our belts is originally designed, handwoven, dyed and embroidered by skilled artisans from the Andes Region of Peru.

Artisans are paid based on fair-wage principals, quality control bonuses, and profit sharing through medical & education funds.

All of our belts are Certified CarbonFree® by CarbonFund.org through the reduction of emissions, the use of natural wools & dyes, and the purchase of carbon offsets.

Feel good about the purchase of these products, as they directly help to support the people who make them and the planet we live on.
